Being a holder of a land agent licence will allow you to own and operate your own real estate agency in South Australia.

Fast track your licence

If you have been working in the industry or have business exposure, you may be eligible for recognition of prior learning or credit transfer, ensuring a fast and cost effective licensing program. For further information, review our RPL application found in the main menu of our website.

Is online learning for you?

Online learning is different in many respects from the traditional face-to-face learning we're all used to, primarily in the way we get our information and how we interact with facilitators. Online learners should be comfortable with internet browsing/searching, email, sending and reading attachments and word processing. Support is provided via the telephone, email and online chat.
